## **Ref: 14 Financial Reserves Policy**

The Council is required to maintain adequate financial reserves to meet foreseeable needs and commitments, and, also to have money available in the event of an emergency. Current advice on reserves from the Local Councils Association is that the amount of financial reserve held should, where possible, be a sum about equal to the annual precept

### **Reserve Components**

#### ***a) General Reserve***

The use of this is not restricted.

- It is intended to maintain the General Reserve at a level equivalent to 12 months precept income.
- If the balance is drawn down, replenishment will be provided for in the next annual budget.
- If the General Reserve is exhausted due to extreme circumstances, the Council may make emergency borrowings from Earmarked Reserves, which will be replaced in the next annual budget.

#### ***b) Earmarked Reserves***

These may be set up at any time by the Parish Council to meet known or predicted liabilities.

### **Procedure for the Management of Reserves**

- Decisions to set up a reserve will be made by the Full Council.
- Expenditure from reserves can only be authorized by the Full Council
- The reserves will be reviewed by the Full Council as part of the annual budgeting process.
- The Responsible Financial Officer will maintain a detailed schedule of all reserves.
