Highcliffe hawks – Spring Tournament **ITEM 6**

The tournament will be held as a two day event on 30th and 31st May 2026.

Same as previous years:

- No pitches will need to be marked as Hawks will mark these out ourselves, these are tournament size pitches.
- Access to the pavilion will be needed the whole weekend as well as before and after the event for setting up and tidying up.
- Hawks hire in portable toilets to limit use of pavilion toilets.
- Hawks hire in industrial bins so all rubbish will be removed from wingfields.
- Hawks hire in site fencing to secure the grounds to limit car parking in streets surrounding the grounds. This allows access to the ground in one place closer to the Highschool parking. (Emergency access still available).

(Cones and parking attendants will be on the roads)

No Temporary Events Notice will be applied for, but risk assessments and traffics management plans can be forwarded to the PC before the event.

Once Hawks have a fee from the Council they can work out their costing and will then have a better idea of how many teams Hawks will open the event up to. Hawks will then know nearer the event how many teams have paid and confirmed their application.
